Background: The FY 2026 Proposed Budget was delivered to the City Commission and the Board of Finance on June 30, 2025.

The Board of Finance's Budget Subcommittee has met multiple times and conducted a review of the Proposed Budget. Their final report was presented to the City Commission on August 6, 2025.

On July 17, 2025 the City Commission established a maximum millage rate for FY 2026 of 4.1345 mills or a millage rate of \$4.13 per \$1,000.00 of assessed property value. This is the same rate that was adopted from FY 2016 through FY 2025.

A public hearing was held on September 11, 2025, preceding the adoption of Resolution 25-22, establishing a Tentative Millage Rate for FY 2026 of 4.1345 mills, and Resolution 25-23, establishing a FY 2026 Tentative Budget of \$156,210,946.

Florida Statutes require each taxing authority to hold a second and final public hearing on the final millage rate and final budget. This hearing will occur prior to the vote for adoption of Resolutions 25-24 and 25-25 on September 23, 2025.
