MEMORANDUM

To: Local Planning Agency

Date: 2024-07-22

From: Community Redevelopment Agency

Subject: Ordinance 24-22 of the City of Dunedin, Florida amending Section 107-41.1,

Unlawful Noise, of the City of Dunedin Land Development Code to provide for interpretive clarity related to amplified sound and to clarify amplified sound may be heard outside the property line on New Years Eve and may never

exceed a weighted 65 Decibel measured at the property line.

Presenter(s): George Kinney, ACIP and Jennifer Bramley, City Manager

Recommend: Recommendation to the City Commission

Epic Goal(s): 1. Create a vibrant, cultural experience that touches the lives of our community

and visitors.

5. Enhance community relationship strategies that strengthen inclusiveness,

respect, transparency and collaborative engagement.
