Background:

This request is intended to correct an inadvertent error to the adopted Downtown CRA Street Type Map as specifically described below:

Ordinance 19-11: Was duly adopted on May 16, 2019 and included a CRA Street Type Map Exhibit C-1 dated May 6, 2019. Specific reference was made in the Ordinance title to the map Exhibit.

Ordinance 19-12: Was duly adopted on November 21, 2019 and included a CRA Street Type Map Exhibit C-1 dated February 15, 2019. There was no specific reference made in the Ordinance title referencing intent to amend this exhibit to an earlier version.

Accordingly, staff finds that the May 6, 2019 map was intended to be carried over to Ordinance 19-12 and the older February 15, 2019 version was inadvertently included, which is the map in effect at this time. This question/discussion was brought to the Ordinance Review Committee who concurred and intended on recommending this change for Commission consideration.

Correcting this error would affect only three properties as follows:
911 Highland Avenue (The Rock House) from a B Street to an A Street
516 Grant Street (The Honu) from a B Street to an A Street
480 Wood Street (Parking Lot) from a B Street to an A Street

In summary, staff is asking consideration to amend Section 103-40.3 of Chapter 103 of the Land Development Code to correct and replace Exhibit C-1, dated February 15, 2019 with Exhibit C-1 dated May 6, 2019.
