**From:** Natalie Gass

**Date:** 2025-03-27

**Subject:** Dunedin Environmental Hero Award 2025

**Presenter(s):** Natalie Gass, Sustainability Program Manager; David Graves, CEQS Chair; Lyn Woodruff, CEQS Member

**Staff Recommendation:** Presentation of award from the Committee on Environmental Quality & Sustainability (CEQS) to the all-around 2025 Dunedin Environmental Hero, who has demonstrated honorable action in promoting a healthy and sustainable community in Dunedin.

**Strategic Themes:** Environmental Resiliency and Sustainability

**Boards & Committees:** Committee on Environmental Quality & Sustainability (CEQS)

**Budget Impact:** N/A

**Past Action:** N/A

**Next Action:** N/A

**Attachments:**

**Background:** For over a decade, the City of Dunedin and the advisory Committee on Environmental Quality & Sustainability (CEQS) have been celebrating Dunedin's local green advocates and heroes - residents, businesses, and organizations - who go above and beyond for environmental sustainability. Winners are selected for their dedication, hard work, and passion toward protecting and improving Dunedin's environment. The community is grateful for their efforts and is proud to celebrate their great accomplishments. This year instead of giving awards in various categories, the Committee decided to honor one all-around hero.

The 2025 all-around Dunedin Environmental Hero Award go to:  
Beth Reynolds

Honorable Mentions:

- Elizabeth and Rowland Moulin
- Julie's Case Management
- Dunedin Cares

Congratulations to this year's Environmental Hero! Awards will be presented during the Thursday, May 8, 2025 City Commission Meeting beginning at 6:00 PM.
