Background

Three Rivers Park District is planning for a regional trail connection through Minnetonka to connect the northern communities to Bryant Lake in Eden Prairie. Staff from Three Rivers Park District will present the planning background, key concepts from the 60% design, and overall timeline for implementation of this key new regional trail connection. The Bryant Lake Regional Trail will be a paved, multi-use off-road regional trail that will travel from Minnetonka Mills Park in Minnetonka to Bryant Lake Regional Park in Eden Prairie. The trail will be located within the public right-of-way along Baker Road (County Road 60) and Rowland Road in Minnetonka.
