Title: Three Rivers Park District Update: Bryant Lake and Eagle Lake Regional Trails

Report from: Chris Long, P.E., Assistant City Engineer

Submitted through: Phil Olson, P.E., City Engineer
Will Manchester, P.E., Public Works Director
Darin Nelson, Finance Director
Erik Nilsson, City Attorney
Mike Funk, City Manager

Presenter: Phil Olson, P.E., City Engineer

Action Requested: Provide staff with feedback and direction.

Summary Statement

Two regional trail projects are planned for construction by Three Rivers Park District in 2027 and 2028, including the Bryant Lake Regional Trail and the Eagle Lake Regional Trail. These connect gap trail segments in Minnetonka to the north and south, spanning connections from Eagle Lake (city of Maple Grove) to Bryant Lake (city of Eden Prairie). Three Rivers Park District staff will be in attendance to present updates to city council on the project.

Strategic Plan Relatability

Infrastructure & Asset Management

The Bryant Lake and Eagle Lake Regional Trail projects include the construction of top-priority trail segments, in-line with the desired outcome 5.3., enhancing safety, walkability and connectivity of the city's trail system.

Background

See attached supplemental background report.

Discussion Questions

1. Does the city council have any feedback for Three Rivers Park District on the regional trails?
2. Does the city council support funding the burial of overhead power with the Bryant Lake and Eagle Lake Regional Trails?
