**Title:** Waiver - Willow Run Private Streets

Dewberry Engineers, Inc., on behalf of D.R. Horton, is requesting a waiver to the public street requirements

specified in §144-24(C) of the Subdivision Ordinances. This request is associated with the Master Development

Plan #06-22, currently in review. As a condition of this request, and as required per the ordinance, the proposed

base and surface shall meet or exceed the requirements of Virginia Department of Highway Standards (VDOT).
