Meeting Date: October 8, 2025

Agenda Section: Committee Business - Transportation Committee

Title: Transportation Alternatives Program Projects – Update and Action on 2024 Awards:

The recent update of cost with inflation for these projects has resulted in shortfalls. Staff recommends cancelling the Inverlee Way Pedestrian upgrades and Valley Mill Road Pedestrian projects for now in order to focus on refining alternatives for potential future re-application of those projects and continue with just the Warrior Drive multiuse path project.

The Committee recommends the Board of Supervisors authorize Staff to cancel the Inverlee Way Pedestrian and Valley Mill Road Pedestrian upgrade projects and continue with the Warrior Drive multi-use path project.
