

Board of Supervisors

Agenda Item Detail

Meeting Date: January 24, 2024

Agenda Section: Public Hearings (Non Planning Issues)

Title:

Ordinance to Amend the Frederick County Code, Chapter 75 Drought Response and Contingency Plan to Allow Bulk Water Hauling at the Drought Warning Stage, to Restrict Operation of Commercial Car Washes without Water Recycling Systems, During the Drought Emergency Stage (with Delayed Effective Date of January 1, 2027), to Allow Bulk Water Hauling During Drought Emergency Stage, for Temporary Potable Residential Purposes, to Clarify that Non-Potable Water can be Hauled for any Purpose, and to Modify the New Service Connections Moratorium Provision to Make the Provision Discretionary by the Board Instead of Automatic.
