

Board Meeting Agenda Abstract

Monday, December 1, 2025

Location:

Agenda Item

Town Code Amendment - Appendix I: Traffic -130; Four-Way Stops - Designating the Intersection of Raleigh Street & S. Fuquay Avenue as a Four-Way Stop - (Poling) - Item 16.A

Item Explanation

The purpose of this agenda item is to consider approval of a Town Code Amendment to establish a four-way stop at the intersection of Raleigh Street & S. Fuquay Avenue.

Staff Comments

The Raleigh Street & S. Fuquay Avenue ADA Improvements Project is nearing completion and includes construction of ADA-compliant curb ramps, milling, and resurfacing of the intersection, and associated site restoration. In coordination with these improvements, Town staff recommend converting this intersection to a four-way stop to enhance pedestrian and vehicular safety. This location serves as a key crossing within downtown, providing access between nearby commercial, civic, and residential areas. The Engineering, Public Works, and Police Departments have reviewed the intersection and determined that the four-way stop will improve pedestrian visibility, reduce vehicle speeds, and support the Town's downtown walkability goals. If approved, the four-way stop signage and pavement markings will be installed by the project contractor as part of the ADA improvement project prior to closeout.

Fiscal Note

No

No additional fiscal impact. Costs were planned and approved as part of the existing Raleigh Street & S. Fuquay Avenue ADA Improvement Project budget.

Recommendation

CONSENT AGENDA

MOTION TO: Approve an ordinance establishing a four-way stop at the intersection of Raleigh Street & S. Fuquay Avenue, as presented and recommended.
