Staff Comments

Unit 96 - A 2008 Sterling Vacall Combination Vacuum/Jet Truck was used by the sewer department to jet/vacuum gravity sewer mains and clean pump stations. The replacement of this truck was recently approved by Budget Amendment (BA 26-31). Staff recommends surplusizing this truck. The new combination vacuum/jet truck has been ordered and should be in operation within the next 30-days.

Fiscal Note

Yes

The Town uses the GovDeals platform to ensure the sale of equipment is properly sold and the Town gets the maximum value for items sold. Funds received from the sale will be transferred to the Enterprise Fund-miscellaneous revenue.
