Staff Comments

The Fuquay-Varina Fire Department receives donations from the community throughout the year designated for equipment and/or to support programs sponsored by the Fire Department. The donated funds in the amount of \$1,600 will assist in expenses related to the Fuquay-Varina Fire Department Citizens Fire Academy scheduled to begin in March 2026. This donation will improve this invaluable community outreach program and is consistent with the department's strategic goals. For this reason, management and staff recommend approval.
