Item Explanation

The purpose of this agenda item is to consider approval of a budget amendment recognizing donations of \$1,275 from the Fuquay-Varina Woman's Club and the NC Federation of Women's Clubs.

Staff Comments

The Arts Center recently received a donation of \$1,000 from the NC Federation of Woman's Clubs and a \$275 donation from the Fuquay-Varina Woman's Club. The donations are a result of interest in and support of the Arts Center's work with the special needs community. The funds donated will be used to cover registration costs for two staff members to attend the LEAD (Leadership Exchange in Arts Disability) Conference in August 2026. This professional development opportunity will equip staff with the knowledge of industry best practices in serving the special needs community with arts programming and instructional design.

Fiscal Note

Yes

This budget amendment recognizes \$1,000 donation from the NC Federation of Woman's Clubs and \$275 from the Fuquay-Varina Woman's Club in support of special needs programming at the Arts Center.

Additionally, the Budget Amendment corrects a prior revenue account code in which \$2,000 of received event sponsorship revenue was budgeted as miscellaneous donations, but will now be budgeted as event sponsors/vendor revenue.
