Resolution - Abatement Assessment - 411 Cherry Street - (Davison) - Item 8.A

Item Explanation

The purpose of this agenda item is to consider a resolution assessing the cost of a Town abatement for nuisance at 411 Cherry Street, PIN 0656792838.

Staff Comments

In compliance with Town regulations, 411 Cherry Street was issued a Notice of Violation on April 30, 2026, for tall grass, and weeds. The Notice of Violation outlined the nuisance and the corrective action required. After the initial Notice of Violation expiration, a 72-hour Notice of Citation was issued on May 22, 2026, explaining that if left unresolved, the Town would abate the violation and bill the property owner of record, Wooten, Martha Heirs, for the remediation work performed by the Town. After the 72-hour Notice of Citation expiration, the Director of Public Works abated the violation using Town resources.

The assessed fee of \$585.00 for abatement services is in keeping with the published Town fee schedule. An invoice for this fee was issued to the property owner on July 2, 2026, allowing 30 days to remit payment. No response has been received. The Town, pursuant to Chapter 160D of the North Carolina General Statutes and Part 8, Chapter 4 of the Town Code, has the authority to prevent, abate, and declare unlawful nuisances and to cause the cost of abatement to become a lien against the premises where the nuisance has occurred. These liens are to be collected using property taxes.

ADDITIONAL INFORMATION: This is the ninth abatement action and subsequent lien placed on the property as a result of tall grass and weed violations.

Fiscal Note

Yes

Approval of this action results in the filing of a lien against the property as compensation for the nuisance abatement valued at \$585.00.
