Staff Comments

The Planning Department completed the inaugural Fuquay-Varina Citizen's Planning Academy on June 25th. The program aims to provide a basic understanding of the Planning Department's role in shaping Fuquay-Varina's growth and to equip residents with tools to engage in projects and share knowledge within the community.

Participants from across the Town's jurisdiction participated in a four (4)-week course covering planning basics, long-range planning, current planning, and code compliance. They completed activities including a mock neighborhood meeting, a mock Planning Board meeting, identifying code compliance violations, and stepping into the shoes of planners to determine development.

The Planning Department is pleased to present the inaugural class of the 2026 Town of Fuquay-Varina Citizens' Planning Academy to the Fuquay-Varina Town Board.
