

City of Georgetown, Texas
City Council
September 23, 2025

SUBJECT:

Potential International Code Modifications to Reduce Housing Costs

SUGGESTED ACTION:

Presentation and discussion regarding building and fire codes review for possible changes for affordable housing -- Glen Holcomb, Building Official, John Sullivan, Fire Chief, and Mayor Josh Schroeder

ITEM SUMMARY:

Mayor Schroeder has requested this workshop to lay out his vision and goals for reviewing the adopted International Codes in an attempt to reduce housing costs in Georgetown, and determine if the full Council would like staff to move forward with this review. City staff will lay out the history of International Code adoptions in Georgetown and planned upcoming adoptions.

FINANCIAL IMPACT:
