### **GLYNN COUNTY BOARD OF COMMISSIONERS AGENDA ITEM REPORT**

**DATE:** September 19, 2024

**SPONSOR:** R. Talbert

**ITEM TYPE:** Procurement

**AGENDA SECTION:** CONSENT AGENDA - General Business

**AGENDA LANGUAGE:** Approve the issuance of a Purchase Order to GWES, LLC for Right-of-Way acquisition services related to the Old Jesup Road Improvements Project in the amount of \$127,600 with funding to be provided by SPLOST 2022. (R. Talbert)

**BACKGROUND:** The SPLOST 2022 Old Jesup Road Improvements Project is nearing the final stages of design, and Right-of-Way (ROW) property acquisition services are needed. County staff utilized the Engineering Services Pool to solicit pricing from engineering firms for this project. A total of three different projects' ROW acquisition services were advertised to the Engineering Services Pool. Procurement received pricing proposals from two firms: GWES and Moffatt & Nichol. Pricing from both firms was similar, and to keep the projects moving forward, GWES will be awarded two of the projects, and Moffatt & Nichol will be awarded the third project.

The Procurement Department is only authorized to issue purchase orders up to \$100,000 under the Engineering Services Pool; therefore, staff is asking the Board to authorize the issuance of a purchase order to GWES for these ROW acquisition services.
