BACKGROUND: The FY26 approved budget included the approval to purchase emergency medical equipment for two ambulance remounts. Glynn County Fire Rescue requests that the Board of Commissioners authorize the issuance of a purchase order to Stryker Medical using a single-source procurement exemption in the amount of \$252,496.66 to purchase the required EMS equipment for two (2) approved ambulance remounts.

The Procurement Director has reviewed the unique and compelling circumstances for this single-source exemption request, which includes compatibility with existing equipment, and made a determination that a single-source exemption is justified.
