GLYNN COUNTY BOARD OF COMMISSIONERS AGENDA ITEM REPORT

DATE:	August 15, 2024
SPONSOR:	L. Gurganus
ITEM TYPE:	Agreement / Contract / MOU / Lease
AGENDA SECTION:	CONSENT AGENDA - Finance Committee
AGENDA LANGUAGE:	Approve entering into an Agreement with Perry Weather LLC. using a Sole Source Purchasing Exemption to provide a weather safety system for designated Glynn County parks in the amount of \$20,094 with funding to be provided by the FY25 Recreation and Parks Operating Budgets. (L. Gurganus) (FC 3-0)
BACKGROUND:	Glynn County Recreation and Parks Department ("GCRPD") is seeking approval to enter into an agreement with Perry Weather LLC to provide a weather safety system at County parks including North Glynn Recreation Complex (2), Ballard Park (1), Selden Park (1), Mallery Park (1), and Neptune Park (1). The subscription bundle for 6 locations includes software and an outdoor warning system with amplified speaker sirens, flashing strobe, and 24/7 meteorologist support. The warning system is fully wireless and can be triggered automatically or manually. The initial agreement with the vendor includes a one-time fee (\$6,894) for shipping and assisted installation of each unit, plus the annual subscription fee (\$13,200), for a total year 1 cost of \$20,094. The Perry Weather system will replace the lightning detection system currently provided by another vendor. The current vendor's service, response time, and product are no longer satisfactory and do not meet the County's needs. The school athletic department installed the Perry Weather system last year and are pleased with it.

Staff would like approval to enter the agreement with Perry Weather, LLC. The agreement, terms, and conditions have been reviewed and approved by the Assistant County Attorney. Funds for this project are included in the FY25 Recreation and Parks Operating Budget.

ALTERNATIVES:

1. Approve the agreement with Perry Weather LLC
2. Suggest other alternatives

RECOMMENDATION:

Alternative #1
