(R. Talbert)

BACKGROUND: Glynn County is set to award a design/build contract related to the Juvenile Justice Center Project. In 2024, Glynn County issued an RFP for Project Management Services related to the new Fire Station and Public Safety Multi-Use Facility SPLOST Projects. At the conclusion of the evaluation process, a contract was awarded to Comprehensive Program Management (CPS) to provide those services. In addition to those projects, Staff asked CPS to assist with the Juvenile Justice Center project that include project delivery decisions and the selection of a firm for the design/build contract.

Staff has asked CPS to provide a proposal for additional project management services needed on this project. These services would cover the planning/general predesign phase, design/preconstruction phase and the construction/closeout phase.

Staff recommends approval of this agreement for these needed services.
