GLYNN COUNTY BOARD OF COMMISSIONERS AGENDA ITEM REPORT

DATE: August 1, 2024

SPONSOR: T. Munson

ITEM TYPE: Agreement / Contract / MOU / Lease

AGENDA SECTION: CONSENT AGENDA - General Business

AGENDA LANGUAGE: Approve the First Amendment to the Glynn County Employee Health Clinic and Medical Services Agreement with an effective date of July 1, 2024, reducing the annual contract amount by $50,000 and removing firefighter physicals from the list of covered services. (T. Munson)

BACKGROUND: On October 19, 2023, Glynn County and Coastal Community Health (CCH) entered into an agreement to provide services at the Glynn County Employee Healthcare Clinic for a total annual cost of $675,000. Included in the cost of that contract was the performance of annual firefighter physicals. Upon additional discussions with the Fire Chief, it was noted in order to perform annual firefighter physicals to NFPA standards, a chest x-ray must be performed, which was not something that was being done previously and is also not a service CCH as the equipment or staffing to provide. The Fire Chief is currently soliciting quotes for the performance of the annual firefighter physicals to NFPA standards, which will include chest x-rays. We estimate the annual cost to procure those services will be approximately $50,000. Coastal Community Health has agreed to reduce our annual contract amount by $50,000 and remove the firefighter physicals from the list of covered services. Staff recommends approval of this contract amendment with an effective date of July 1, 2024.
