BACKGROUND: It is imperative that Glynn County Fire Rescue purchase and receive replacement apparatus in a timely manner. Currently, manufacturers' lead times for construction range from 12 to 36 months. However, Ten-8 Fire and Safety has an apparatus that will meet our needs and guarantees a 12-month build time. Therefore, the Glynn County Fire Rescue requests the issuance of a purchase order for (1) Aerial Apparatus in the amount of \$1,917,746 from Ten-8 Fire and Safety utilizing the NPP.GOV #113021-RVG-4, and the prepayment discount, with funding provided by the Fire Protection District Fund balance. The prepayment discount will save \$42,254 and require an initial payment of \$958,873 at the time of the order, with the remaining \$958,873 due upon delivery. Additionally, it ensures we are not subject to any cost increases if the manufacturer has any pricing changes.
