- BACKGROUND:** In January of 2025 the Procurement Department issued RFP25-004 for Program Administration for the Brunswick Area Transportation Study Metropolitan Planning Organization (MPO). This was for a multi-year contract where the selected firm would coordinate activities of the MPO and ensure conformance with all federal, state, and local requirements. The firm would be responsible for completing the annual Unified Planning Work Program (UPWP), the Transportation Improvement Program (TIP), and Participation Plan, and other documents as necessary. The firm also coordinates the agendas and activities of the three (3) BATS committees.
- A total of two proposals were received. One from Bartons Management and Consulting and the other from RS&H, Inc. The Georgia Division of the Federal Highway Administration is requesting that all proposals be rejected and the project rebid with the hopes to receive a minimum of three proposals. If the project is rebid and only two proposals are received again, FHWA has indicated that Glynn County could proceed forward with two proposals at that time. Staff is asking the Board to reject all proposals so that the

project can be rebid.
