BACKGROUND:

DISCUSSION:

Glynn County staff is respectfully requesting approval to submit a Hazard Mitigation Grant Program (HMGP) Drainage Improvement application to the Georgia Emergency Management Agency/Homeland Security. The requested grant funds are to help conduct stormwater drainage improvements at the South Palm Drive intersection with Hwy 17.

This project is shovel ready as construction plans were completed in plans were completed in late 2019 and a new cost analysis produced in early 2025. Grant funds will assist with the construction costs of this project.

This grant does require a 15% or \$790,838 of the total project cost.

Federal, state, and local contributions would be as follows:

75% Federal or \$3,954,191

10% State or \$527,225

15% local or \$790,838

For a total project cost of \$5,272,254

The staff is requesting authorization to submit the HMGP application and execute the grant related documents. The HMGP grant process takes approximately 36 months.

RECOMMENDED MOTION FOR BOARD OF COMMISSIONERS

I move to approve the submission of the 2025 HMGP South Palm Drainage Improvement application to the Georgia Emergency Management Agency/Homeland Security and execute the grant related forms.
