### GLYNN COUNTY BOARD OF COMMISSIONERS AGENDA ITEM REPORT

**DATE:** April 2, 2026

**SPONSOR:** R. Talbert

**ITEM TYPE:** Procurement

**AGENDA SECTION:** CONSENT AGENDA - General Business

**AGENDA LANGUAGE:** Approve an agreement and authorize the issuance of a purchase order with Moffatt & Nichol for engineering services for the East Beach Boardwalks Project, utilizing a professional services exemption, in the amount of \$146,960 with funding to be provided by the FY26 Multi-Year Capital Projects Fund. (R. Talbert)

**BACKGROUND:** Presently, a water impoundment extends north along East Beach from approximately the Cedar Street Public Beach Access to the Driftwood Drive Public Beach Access. This impoundment impedes both recreational public access and emergency personnel access. Currently, those attempting to access East Beach from Massengale Park and adjacent properties must do so via temporary floating docks installed by the County. The purpose of this agreement with Moffatt & Nichol is to outline conceptual design, permitting, and final design tasks associated with constructing boardwalks across the impoundment.
