Project Estimated Cost:	\$90,440.00
Project Bid Received:	\$69,891.00
Project Actual Cost:	\$76,691.00

Background / Analysis:

The Willow Creek Trail Bridge Replacement Project involved removal and replacement of a 30-foot by 10-foot pre-engineered steel truss bridge on Willow Creek Trail to the south of Iowa City West High School. As part of the project, trail bridge approaches were also replaced for smooth pedestrian and bicycle transitions onto the bridge from the trail.
