Executive Summary:

The City Code allows private entities by agreement to sell and their customers to consume and possess alcohol on public right-of-way under limited circumstances. The Downtown District would like to be able to sell beer and wine in demarcated areas during the Block Party on June 22 and Oktoberfest on Sept. 28 and customers to possess beer and wine. This resolution approves the attached agreement, which is the same agreement as last year. The demarcated areas for the two events are shown on exhibits to the agreement.
