Executive Summary:

As directed by Title 9, Chapter 1, Section 3B of the City Code, this is to advise the City Council of the following action:

Pursuant to Section 9-1-3A (9); Establish a No Right Turn on Red restriction for westbound motorists on Market Street at the intersection with Clinton Street and for eastbound motorists on Jefferson Street at the intersection with Clinton Street.

Background / Analysis:

This action is being taken as a required element for the installation of bicycle turn boxes at these intersections. Turn boxes allow bicyclists to position themselves during the red traffic signal phase in preparation for turns into bike lanes on adjacent streets.
