VILLAGE OF INDIANTOWN, FLORIDA
AGENDA MEMORANDUM

MEETING DATE: November 13, 2025

MEETING TYPE: Regular Village Council Meeting

AGENDA ITEM TITLE: Award contract to PlayPower LT Farmington, Inc for the replacement of the Booker Park Playground Equipment and surfacing.

SUMMARY OF ITEM:

The Booker Park Playground was originally installed in approximately 2010 and is now approaching 15 years of service, which exceeds the standard expected lifespan of 8 to 10 years for playground equipment. Village staff have observed deterioration in several components and an increase in maintenance requirements.

The proposed replacement plan provides for the installation of new and upgraded playground equipment, the addition of integrated shade structures, and the inclusion of enhanced site amenities such as benches and artificial turf surfacing. The proposed surfacing includes a 15-year warranty and will meet all applicable ADA accessibility standards.

FISCAL IMAPCT STATEMENT: The total project cost is $254,826.76, which includes all materials and labor. Pricing for this purchase is based on the competitively bid Sourcewell Contract #010521-LTS. The use of this cooperative purchasing contract allows the Village to obtain competitive pricing and streamline the procurement process in compliance with purchasing policies. Funding is available in the 2025-26 Parks and Recreation budget for this playground replacement. The Parks Department will be seeking reimbursement for this project through the Florida Recreation Development Assistance Program (FRDAP) grant, if funding becomes available.

RECOMMENDATION: Authorize the Village Mayor to execute a contract with PlayPower LT Farmington, Inc. for the replacement of the playground equipment and surfacing in Booker Park in an amount not to exceed Two hundred fifty four thousand, eight hundred twenty-six dollars and seventy-six cents,

$254,826.76.
