**TO:** Chairperson and Members of the Beautification Committee  
**FROM:** Marisa Gan, Management Analyst II  
**SUBJECT:** Receive an update on the Madeira Park turf conversion and discuss and provide direction on the plant list

**RECOMMENDED ACTION**

Staff recommends the members of the Beautification Committee receive an update on the Madeira Park turf conversion and discuss and provide direction on which plants may be planted.

**DECISION TYPE**

Not Applicable

**SUMMARY**

Staff recommends the members of the Beautification Committee discuss the Madeira Park turf conversion and provide direction on the plant species to be planted to replace the turf.

**DISCUSSION**

The members of the Beautification Committee will discuss the upcoming Madeira Park turf conversion event and choose which species will be planted to replace the turf. The project is a volunteer effort that will take place on April 18, 2026. The area of conversion is approximately 3,500 square feet that will replace non-functional turf with 100 new plants. The species available are:

- Epilobium canum
- Iris germanica
- Leymus arenarius
- Rosa californica
- Muhlenbergia rigens or capillaris
- Salvia bee's bliss
