DATE: December 2, 2026

TO: Chairperson and Members of the Beautification Committee

FROM: Marisa Gan, Management Analyst II

SUBJECT: 2027 Volunteer Litter Collection Events - Program Update and Planning

RECOMMENDED ACTION

Staff recommends the Beautification Committee receive an update from Committee Member Wang and staff regarding the November 14, 2026, volunteer litter collection event and the proposed 2027 volunteer litter collection program, and provide feedback on proposed event dates, locations, and implementation considerations.

SUMMARY

The Beautification Committee will receive an update on the November 14, 2026, volunteer litter collection event, including event outcomes and lessons learned. Committee Member Wang and staff will also present proposed dates and locations for volunteer litter collection events in 2027.

The Committee will have an opportunity to discuss the proposed activities and provide feedback to assist staff in planning and coordinating future events.

DISCUSSION

Committee Member Wang will provide a summary of the volunteer litter collection event held on November 14, 2026, including outcomes, volunteer participation, and lessons learned.

Committee Member Wang and staff will also present proposed dates and locations for the 2027 volunteer litter collection events. The discussion will provide an opportunity for the Committee to consider event scheduling, potential cleanup locations, volunteer recruitment, and operational needs associated with conducting these events.

Staff recommends that the Committee review the proposed 2027 program and provide feedback on event priorities and implementation considerations. Staff will evaluate the Committee's feedback and incorporate feasible recommendations into planning and coordination of future events.
