**TITLE: Briefing: 2026 Comprehensive Plan Amendment List (PAL)**

**DEPARTMENT CONTACT: Catherine Kato, City Council**

**SUMMARY:**

The 2026 Comprehensive Plan Amendment Proposed Amendment List (PAL) is commonly referred to as the docket. The 2026 PAL contains one proposal for consideration by the City Council.

**PRESENTER:**

Catherine Kato, Senior Planner

**ESTIMATED TIME:**

10

**BACKGROUND:**

The Lynnwood Municipal Code (LMC) provides a process for annual consideration of amendments to the City's Comprehensive Plan (LMC 8.90.0400). Review of these amendments is a component of the Planning Commission's annual work program. The Development & Business Services Department compiles and maintains for public review a Proposed Amendment List (PAL), or annual "docket," concerning amendments to the Comprehensive Plan and subarea plans.

The LMC provides for two types of proposals to amend the Plan: applicant-initiated amendments, and city-initiated amendments. This year, we have one city-initiated amendment which has been automatically placed on the PAL for consideration.

**SUGGESTED ACTION:**

Receive the presentation and ask clarifying questions.
