Strategic Commitment

This report aligns with the Strategic Business Plan commitment of:

- **Connecting and Leveraging Partnerships:** We will forge new and enhanced relationships with our public and private partners to integrate and coordinate connecting services, providing residents throughout Southern California with better, seamless, sustainable alternatives to driving. Having one of our Directors represent the Authority on other professional associations throughout the region advances this commitment.

Background

The Authority amended its policies to be consistent with the requirements of state law effective in 2005 and known as "AB 1234". Among the changes on expense reports was a requirement that members of a legislative body “provide brief reports on meetings attended at the expense of the local agency at the next regular meeting of the legislative body.” For purposes of this

report, attendance at regular or special meetings of the Board and its committees for which per diem compensation is provided are not included within this requirement.

The Board requested that reports be presented and filed relating to meetings or activities that Board members have attended on behalf of the Authority in the performance of official duties during the previous month for which they have claimed reimbursable expenses. Staff provides the Board with the following report pursuant to the request.

Director O'Connor attended the California Transit Association's Executive Committee Retreat and Business meeting in San Diego from February 22-23, 2024

The cost to the agency was \$287.97, broken down as follows:

- Meals: \$32.92
- Ground transportation: \$96.78
- Lodging: \$158.27

Discussion

At the January 26, 2024 meeting, the Board approved travel for Director Pam O'Connor to attend the meetings of the California Transit Association (CTA) scheduled in the 2024 calendar.
