Strategic Commitment

This report aligns with the Strategic Business Plan commitment of:

- **Modernizing Business Practices:** We will improve our operational efficiency through transparency, objective metrics and streamlined governance, reducing over-reliance on subsidy while bringing our system into a state of good repair, investing in the development of our employees and maintaining fiscal sustainability.

Background

The Authority's primary funding sources include passenger fares, revenues from dispatching and maintenance-of-way, operating and capital funding support from Member Agencies, and Federal, State, and local funding grants.

Discussion

Accounts Receivable (A/R) Balances

As of September 30, 2026, the total outstanding accounts receivables balance, as detailed in Attachment A, was $32.2 million, of which $20.9 million was current and $11.3 million was past due. The $11.3 million past due compares to $3.2 million for the previous quarter.

Unbilled Balances/Pending Capital Billing

On September 30, 2026, total expenses paid out by the Authority and subject to grantor reimbursement related to the Capital Program (unbilled balances) were estimated at $13.5 million, $ 3.3 million lower than the prior quarter. Unbilled balances continue to hover near historic lows. The level of unbilled balances is informed by the following:

1. Volume and timing of Capital Program expenses;
2. Existence of supporting documentation to bill grantors;
3. Completion of all grant requirements; and
4. Staff resources.

Only 4.9% of unbilled balances are aged over 360 days, and these relate to a Capital Program project.

San Clemente Unbilled Balances

San Clemente operating projects are tracked in a different manner versus core state of good repair and capital projects and are therefore presented separately. Total unbilled balances for the five San Clemente projects were $901.4K as of September 30, 2026. Approximately 96.5% of cumulative expenses paid out on all San Clemente projects since inception have either been billed or advance funded. Finance staff meet monthly to prioritize and address the San Clemente portfolio of projects to ensure appropriate issue resolution and billing timeframes.

Next Steps

The Accounts Receivable report for the quarter ended December 31 , 2026 will be presented in February 2027.
