- B. External Quality Control Peer Review: In accordance with the Internal Audit Policies and Procedures IA-1.1 and as required by the auditing standards, an external quality control review should be performed for the Internal Audit Department every three years. The peer review was completed in March 2023 by independent auditors from the Association of Local Government Auditors (ALGA) with a rating of pass. The peer review report was presented to the Board in April 2023.
- C. In December 2022, the Contracts, Procurement & Material Management Department (CPMM) requested Internal Audit to validate the proposed labor rates for six consultants for Contract E745-20 - On-Call Professional Engineering Design Services and Contract E746-20 - On-Call Engineering, Project Management, and Staff Assistance Services. To carry out the validation, Internal Audit engaged the public accounting firm Davis Farr LLP. The project is in progress.
- D. In March 2023, CPMM requested Internal Audit to validate the accuracy of rates billed and submitted by three consultants under Contract E743-16 - Engineering and Technical Support for Rolling Stock Acquisition, Maintenance and Overhaul Activities and determine if there are misbilling occurrences. The project is in progress.

II. External Audit Activities

LACMTA Memorandum of Understanding (MOU) Examination: The Authority and LACMTA entered into MOU No. 9400000000SCRA2022 (SCRA2022) for the purpose of providing funding to the Authority during FY 2021-2022 for LACMTA's financial commitments to the FY 2021-2022 budget as required by the Joint Powers Agreement (JPA). The compliance audit of MOU No. SCRA2022 between the Authority and the LACMTA was completed on February 23, 2023 with no findings.

- C. FTA Triennial Review: The 2023 Triennial Review was officially initiated by the Federal Transit Administration (FTA). Internal Audit was tasked with gathering the requested information in its liaison position, and all information requested by the external auditors was promptly provided.
