Strategic Commitment

This report aligns with the strategic Business Plan commitment of:

- **Modernizing Business Practices:** We will improve our operational efficiency through transparency, objective metrics and streamlined governance, reducing over-reliance on subsidy while bringing our system into a state of good repair and investing in the development of our employees. Increasing the CEO's authority to \$500,000 has allowed for the expedited award of contracts and TPAs.

Background

On July 26, 2019, the Board authorized the CEO to execute Third-Party Agreements (TPAs)
