SUBJECT

Development Review - Traffic Mitigation

Recommendation:

Receive as Information

Updates/History of Briefing:

Not Applicable

Executive Summary and Background Information:

Traffic congestion is one of the leading issues facing the Morrisville community. In recognition of this issue, the Town has specific requirements in place to require developments to mitigate their associated impact on the traffic network. In this presentation, we will be reviewing the two main requirements that support this mitigation - Transportation Impact Analyses (TIA), and Comprehensive Transportation Plan (CTP) road widening.
