NARRAGANSETT TOWN COUNCIL AGENDA ITEM REPORT

DATE: October 7, 2024
FROM: Stephen Daignault, Public Works Director
DEPARTMENT: Public Works Department

SUBJECT:

A MOTION TO AWARD a two (2)-year bid for Road Striping Services to K5 Corporation at their quoted unit prices for the Fiscal Years (FY) 2024/2025 and 2025/2026.

SUGGESTED ACTION:

The Town of Narragansett participates in a regional road striping procurement contract with Charlestown, North Kingstown, and South Kingstown which is managed by the Town of South Kingstown. Participation in this regional procurement effort provides the opportunity for obtaining very competitive pricing for this essential service. The Narragansett Department of Public Works utilizes this contract each year to complete all the roadway centerline and edge line painting.

South Kingstown solicited bids, and two (2) bids were received at the August 30, 2024, bid opening. K5 Corporation, the lowest bidder, was awarded the bid from the Town of South Kingstown at their September 3, 2024, meeting.

Narragansett's cost is approximately \$12,000.00 per application and we complete one (1) to two (2) applications per year.

FUNDING SOURCE:

Funding is available in the Highway Division Operating Account #0001730 50509, Roadway Maintenance and Repair.
