NARRAGANSETT TOWN COUNCIL AGENDA ITEM REPORT

DATE: December 18, 2023
FROM: Sean Corrigan, Police Chief
DEPARTMENT: Police Department

SUBJECT:

A MOTION TO APPROVE the purchase of Law Enforcement Training Weapons for the Police Department from Extreme Airsoft Inc., in the total amount of \$4,080.00.

SUGGESTED ACTION:

The police department engages in training programs that are designed to be as realistic as possible. The highest professional standard for accomplishing this is force on force training. This training equipment was budgeted in our Capital Tactical line in order for officers to safely use force upon each other during scenario training. This will improve both officer safety and department readiness for tactical situations. Note the Police Department practices unified use of force training, which means that de-escalation training is integrated into both less lethal and lethal force training. This Request for Quotation included six (6) training pistols, six (6) magazines, four (4) training rifles, four (4) air gun magazines and ten (10) paintball masks.

RFQs were solicited and posted on the Town of Narragansett and State Purchasing Division websites. Five (5) vendors were solicited and only one (1) responded. The attached spreadsheet lists the results from the solicitation.

FUNDING SOURCE:

Funding is available in the Police Administration Capital Projects Account # 00200190 57075, Equipment Replacement #4.
