NARRAGANSETT TOWN COUNCIL AGENDA ITEM REPORT

DATE: October 7, 2024
FROM: Daniel Holland, Information Technology Manager
DEPARTMENT: Information Technology Department

SUBJECT:

A MOTION TO APPROVE the renewal of the Darktrace system from SHI International Corp., in the amount of \$29,964.00.

SUGGESTED ACTION:

Darktrace is a Cyber AI (artificial intelligence) powered platform that monitors our internal network for suspicious activity. This system is further able to automatically respond to suspicious activity by blocking various types of connections leveraging network baselines and cyber threat models.

This system is considered an IDR (Intrusion Detection and Response) and will augment our existing firewall and MDR (managed detection and response) on the internal network. This service renewal is for one (1) year: 9/1/24 – 8/31/25.

This contract is under the competitively procured Sourcewell Contract #081419-SHI. This contract is valid through August 14, 2025.

FUNDING SOURCE:

Funding is available in the Information Technology Operating Account #0001350 50311, Licenses and Dues.
