NARRAGANSETT TOWN COUNCIL AGENDA ITEM REPORT

DATE: August 17, 2026

FROM: Jill Sabo, Community Development Director

CO-SPONSOR: Susan Gallagher, Purchasing Manager

DEPARTMENT: Community Development

SUBJECT:

A MOTION TO APPROVE a contract with DiPrete Engineering to provide design and engineering services for the creation of the Town Council-approved bike path from the Community Center to Kingstown Road and Caswell Street, in the amount of \$153,500.00.

SUGGESTED ACTION:

On December 15, 2025 the Town Council approved the *"Kingstown Road route to the intersection of Caswell Street to get there travel behind Sprague Pond, batting cages and through adjacent park and/or over the brook and around to the Indian monument area"* bike path route. During budget hearings, the Town Council agreed to set aside funds to complete the engineering and design of this route. DiPrete Engineering (the Consultant awarded the previous bike path design contract through a competitive bidding process) provided a proposal to complete this work.

The total cost of this work, not including any costs associated with excavation, is \$153,500.00.

FUNDING SOURCE:

Funding is available in the Engineering Department Capital Projects Account #00200600 50704, Other Capital Improvement.
