NARRAGANSETT TOWN COUNCIL AGENDA ITEM REPORT

DATE: August 17, 2026

FROM: Jonathan Gerhard, Town Engineer

DEPARTMENT: Engineering Department

SUBJECT:

A MOTION TO APPROVE the the purchase of one (1) new 2026 Chevrolet 2500, Regular Cab work truck from Colonial Municipal Group, in the amount of \$48,893.20, utilizing the Greater Boston Police Council contract and APPROVE the purchase of one (1) Knapheide service body Model 696 equipment package from Dejana Truck and Utility Equipment (a division of Douglas Dynamics, LLC), in the amount of \$24,980.00, utilizing the RI Master Pricing Agreement.

SUGGESTED ACTION:

As part of the Engineering Department's (Wastewater Division) vehicle and equipment multi-year replacement program, the entire fleet of vehicles and equipment is regularly reviewed and updated after taking into consideration current needs and serviceability. Funding for the replacement of the Wastewater Division truck #405 was requested by the department and approved by the Town Council in the FY2026-27 Capital Improvement Budget (appropriation of \$75,000.00).

Truck #405 is utilized on a daily basis to support maintenance activities of the division including but not limited to the following use: transporting staff and equipment to pump stations (19 stations throughout the Town), towing the jet spray sewer cleaning and television inspection trailers, plowing snow at the Scarborough WWTF and the outlying pump stations, and any other divisional support functions. The existing Truck # 405 is a 2018 Silverado with over 120,000 miles.

The Town will be purchasing the new truck pursuant to competitively procured Greater Boston Police Council, Inc. cooperative purchasing contract. Colonial Municipal Group will deliver the truck through Dejana Truck and Utility Equipment (Douglas Dynamics, LLC), under RI Master Price Agreement supplier contract #SC-1000008405. Participation in these cooperative procurement contracts gives the town large fleet buying power. The purchase price of \$48,893.20 includes the 2026 Chevy Silverado 2500 Work Truck, and the purchase price of \$24,980.00 includes the necessary equipment/accessories package, including service body with integral tool boxes, 8' Fisher plow package, and lift gate. The total purchase price is \$73,873.20.

FUNDING SOURCE:

Funding is available in the Wastewater Enterprise Fund Capital Projects Account #0032 50608, Vehicles.
