NARRAGANSETT TOWN COUNCIL AGENDA ITEM REPORT

DATE: December 4, 2023

FROM: Daniel Holland, Information Technology Manager

DEPARTMENT: Information Technology Department

SUBJECT:
A MOTION TO APPROVE the one (1)-year renewal of SANS Institute End User Security Awareness Training services from SANS Institute, in the amount of $6,480.00.

SUGGESTED ACTION:
SANS Security Awareness offers customizable, expert-authored security awareness training with a focus on measurable outcomes for organizations to change user behavior and reduce risk. This purchase also includes an email phish testing platform to assess employee responses to simulated phishing emails.

Security Awareness training is required for CJIS system users, cyber security insurance, and general security by our Technology Resource Policy.

This renewal is direct from the developer as they no longer offer reseller discounts.

FUNDING SOURCE:
Funding is available in the Information Technology Operating Account #0001350 50311, Licenses and Dues.
