Agenda Item

1. Partnership Introduction of Minneapolis Regional Chamber of Commerce and a Future Memorandum of Understanding (MOU)

Prepared By

Christine Costello, Housing & Economic Development Manager

Summary

In 2020, the TwinWest Chamber of Commerce merged with the Minneapolis Regional Chamber. The City of Golden Valley was a member of the TwinWest Chamber of Commerce. The exploration into merging both chambers of commerce began before the COVID-19 pandemic and became important once the pandemic hit to ensure resources are leveraged for businesses. The merger to the Minneapolis Regional Chamber will allow businesses large and small to access a greater network for visibility and connections to build ones business.

Megan Krohn, the Vice President of Member Services for the Minneapolis Regional Chamber will be in attendance to provide an overview of the Minneapolis Regional Chamber and to discuss the Golden Valley Business Connection series. Ms. Krohn will also be available for questions.
