**Background:**

The attached resolution amends the FY2026 budgets for the General Fund and the Road and Traffic Fund to include capital rollovers from FY2025.

This item is presented in accordance with Florida Statute 166.241 which requires the governing body of each municipality to amend fiscal budgets for any modifications anytime throughout the fiscal year, or within 60 days of year-end close.

**Funding:**

**Amount:**

General Fund - \$15,517,236  
Road and Traffic Fund - \$197,359

**Finance Director/Budget Manager Recommendation:**

**Budget Amendment #1** amends the recently adopted budget to account for capital rollovers.

Each year, capital items are approved during the standard budgeting process and are typically purchased within the same fiscal year. However, some items may not be purchased due to factors such as product availability or delivery delays. Capital rollovers also often include funds allocated to ongoing capital projects.
