

City of Plantation
City Council Chambers

Subject:

ITB No. 053-26; Central WTP MIT Injection Well

Summary:

Requesting authorization and approval of the following:

Authorization and approval to execute an agreement between the City of Plantation and Layne Christensen Company for "Central WTP MIT Injection Well" in accordance with ITB No. 053-26 for a total amount of \$86,750.00.

Procurement:

Pursuant to City Code Sec. 2-229(a) and 2-230(a), the Procurement Department secured formal competitive bids for the above-mentioned services. On September 15, 2026, three (3) competitive bids were received. This solicitation was publicly advertised on the Demand Star website for thirty-five (35) calendar days, broadcast to 2234 vendors, and had 24 Planholders. Copies of the three (3) competitive bids are attached for your review.

The numerical results are as follows:

<u>Vendor</u>	<u>Base Bid Total</u>	<u>Original Bid Bond Submitted</u>	<u>Plantation Local Business pursuant to Section 2-227 City Code</u>
	-		
Layne Christensen Company	\$86,750.00	Yes	No
A.C. Schultes of Florida, Inc.	\$87,870.00	Yes	No
All Webb's Enterprises, Inc.	\$89,000.00	Yes	No

The Procurement Department staff performed a review of the apparent low bidder (Layne Christensen Company) to ascertain submittal responsiveness. After careful consideration of all the information provided by the bidder, the Procurement Department staff concluded that Layne Christensen Company (the apparent low bidder) is the lowest, responsive bidder.

The Utilities Department staff performed a review of the apparent lowest responsive bid(der) to ascertain if they were responsible. After careful consideration of all the information provided, the Utilities Department staff has concluded that Layne Christensen Company is the lowest responsible bidder.

Based on the foregoing information, Utilities and Procurement Departments requests authorization and approval of the following:

- Authorization and approval to execute an agreement between the City of Plantation and Layne Christensen Company for “Central WTP MIT Injection Well” in accordance with ITB No. 053-26 for a total amount of \$86,750.00.

Background:

Strategic Priorities: Proactive and Responsive Asset Management, Planning for a Sustainable Future

Mechanical Integrity Testing (MIT) of the Injection Well is required every 5-years in accordance with FDEP Underground Injection Control (UIC) regulations. Testing provides confirmation of the Well's mechanical soundness, safeguards underground sources of drinking water & maintains compliance.

This item is now ready for City Council consideration.

Funding:

440-0000-169-9520

Proj. #1090 - CWTP Injection Well MIT.

Amount:

Bid Item	Description	Estimated Quantity	Unit	Unit Cost	Total Cost
1	Injection Well Mechanical Integrity Testing (MIT) (as specified in the Scope of Services)	1	LS	\$76,750.00	\$76,750.00

2	Contingency Allowance	1	LS	\$10,000.00
Total Cost (Items 1 through 2)				\$86,750.00

Finance Director/Budget Manager Recommendation:

The Utilities Water Services Department budgeted \$100,000 in FY2027 for the CWTP Injection Well MIT (Project #1090).
