Subject:

Melaleuca Isles Water Main Replacement - Civil Engineering Services

Summary:

Request authorization and approval of the following:

To issue a work authorization/purchase order and process payment(s) to Craven Thompson & Associates Inc for Professional Civil Engineering Services associated with the "Melaleuca Isles Water Main Replacement" project as further described in the attached proposal for a total amount of \$164,820.00.

Procurement:

The Procurement Department has reviewed the information provided by the Utilities Department and has determined; that the hourly rates utilized to determine the totals provided in the proposal/work order attached, are in accordance with Agreement No. 083-24; "Continuing Services Agreement for Civil Engineering" between the City of Plantation and Craven Thompson & Associates Inc.

This continuing services agreement (083-24) between the City and Craven Thompson & Associates Inc., is currently set to expire January 19, 2028. In addition, the use of this of this Agreement "continuing contract" for the mentioned work complies with Florida Statute 287.055 as the proposed construction is estimated not to exceed 7.5 million dollars (as stated by the Utilities Department).

Based on the forgoing information the Procurement and Utilities Department is requesting for authorization and approval of the following:

- To issue a work authorization/purchase order and process payment(s) to Craven Thompson & Associates Inc for Professional Civil Engineering Services associated with the "Melaleuca Isles Water Main Replacement" project as further described in the

attached proposal for a total amount of \$164,820.00.

Background:

Strategic Priorities: Planning for a Sustainable Future, Proactive and Responsive Asset Management

Installation of new water main hydrants & fire services is necessary as part of Utilities continued efforts to replace aging infrastructure thereby reducing needed repairs. Utilities seeks to utilize the engineering services of Craven Thompson for the associated design and construction of this water main replacement.

This item is now ready for City Council consideration.

Funding:

443-0000-169-9638

Amount:

\$164,820.00

Finance Director/Budget Manager Recommendation:

The Utilities Department budgeted \$154,280 in the FY2026 Repair & Replacement Fund for the Melaleuca Isles Water Main Replacement Project. Per the Utilities Department, the additional funding required (\$10,540) is included in the FY2027 budget for this project.
