Background:

Strategic Priorities: Planning for a Sustainable Future, Proactive and Responsive Asset Management

Current Dump Truck is 25+ years old. Due to age, the vehicle requires frequent repairs resulting in higher maintenance costs & increased downtime. Dump Truck is used routinely for transportation of loose materials such as dirt & rock for backfilling after repairs have been made. A new Dump Truck will provide improved safety, reliability & operations efficiency.

This item is now ready for City Council consideration.

Funding:

440-0000-166-9001

Proj. 626 - Dump Truck (FY26)

Amount:

$85,978.88

Finance Director/Budget Manager Recommendation:

The Utilities Water & Wastewater Departments budgeted $115,000 in FY2026 for a Ford F-550 Standard Cab Dump Truck. These funds will be rolled over to the FY2027 budget to facilitate the purchase.
