

**Plantation City Council/CRA Notice of City Council/CRA
Meeting Agenda Meeting**

November 5, 2025

City of Plantation
City Council Chambers

Subject:

Multi-Factor Authentication (MFA) Renewal 2026

Summary:

Requesting authorization and approval of the following:

Authorization and approval to waive the procurement requirement detailed in section 2-226(b) of the City's code relating to internet posting and accept the three (3) competitive informal quotes received and provided by staff as it pertains to the required hardware.

Authorization and approval to execute a purchase order and process payment(s) to Greyson Technologies, Inc for "Multi-Factor Authentication Renewal" in the amount of \$52,560.00 (see attached quote for additional details).

Procurement:

Due to the sensitive nature of the requested services, the City found it prudent and in its best interest to request competitive quotes from known sources/vendors rather than publicly soliciting for mentioned services. It is for this reason why we are requesting to waive the procurement requirement detailed in section 2-226(b) of the City's code relating to internet posting.

The IT Department informally solicited quotes from three (3) vendors as follows:

VENDORS	TOTALS
Strictly Tech	\$58,200.00
SHI	\$56,610.00
Greyson Technologies Inc	\$52,560.00

Pursuant to Florida State Statute 119.0725, Agency cybersecurity information; public records exemption; public meeting exemption, the backup material for this agenda item is not a public

record.

Based on the foregoing information, Information Technology and Procurement Departments is requesting authorization and approval of the following:

- Authorization and approval to waive the procurement requirement detailed in section 2-226(b) of the City's code relating to internet posting and accept the three (3) competitive informal quotes received and provided by staff as it pertains to the required hardware.
- Authorization and approval to execute a purchase order and process payment(s) to Greyson Technologies, Inc for "Multi-Factor Authentication Renewal" in the amount of \$52,560.00 (see attached quote for additional details).

Background:

Strategic Priorities: Quality Customer Care and Sustainability.

The City implemented Multi-Factor Authentication (MFA) in 2022 to enhance its cybersecurity. The goal of MFA is to create a layered defense that makes it more difficult for an unauthorized person to access a computing device, software system, network or database. This renewal is for the continuous operation of MFA.

This item is now ready for City Council consideration.

Funding:

001-2300-513-4607

Amount:

\$52,560.00

Finance Director/Budget Manager Recommendation:

The IT Department budgeted \$57,750 in FY2026 for Multi-Factor Authentication (MFA) Renewal.
