Plantation City Council/CRA/PAID Meeting Agenda

Notice of City Council/CRA/PAID Meeting

November 4, 2026

City of Plantation
City Council Chambers

Subject:

Purchase of the Weedoo AmphiKing 6450 Tracked Unit

Summary:

Requesting authorization and approval of the following:

Process a final payment to Weedoo Greenboat, Inc., for the completion of the purchase of the Weedoo AmphiKing 6450 tracked unit for a remaining total balance of $145,949.00 in accordance with terns and conditions originally approved by PAID Board of Supervisors and Chairman Santana.

Procurement:

Pursuant to City Ordinance No. 2026-011, the Plantation Acres Improvement District (PAID) transitioned to a dependent special district of the City of Plantation, effective October 1, 2026, with its assets, contracts, and liabilities transferred to the City.

On March 26, 2026, the PAID Board of Supervisors authorized Chairman Santana to advance the proposed acquisition of a Weedoo AmphiKing 6450 tracked unit, through a sole-source vendor, at a total purchase price of $291,898.00, as documented in the attached meeting minutes.

Following the Board's authorization, the District proceeded with the acquisition process and issued a 50% deposit in the amount of $145,949.00, leaving an outstanding balance of $145,949.00. As part of the transition of PAID operations and financial obligations to the City, this agenda item seeks City Council authorization to complete the acquisition of the Weedoo AmphiKing 6450 tracked unit and approve payment of the remaining balance.

Based on the foregoing information, Procurement and Engineering Department requests authorization and approval of the following.

- Process a final payment to Weedoo Greenboat, Inc., for the completion of the purchase of the Weedoo AmphiKing 6450 tracked unit for a remaining total balance of $145,949.00 in accordance with terns and conditions originally approved by PAID Board

of Supervisors and Chairman Santana.

Background:

Strategic Priorities: Planning for a Sustainable Future; Balance Progress w/Traditions; Proactive and Responsive Asset Management.

The equipment will be utilized for maintenance and restoration of waterways, including aquatic vegetation removal, sediment dredging, and other canal maintenance activities necessary to maintain proper drainage and hydraulic functionality.

This item is now ready for City Council consideration.

Funding:

119-1190-538-6401

Amount:

$145,949.00

Finance Director/Budget Manager Recommendation:

This item is funded by Plantation Acres Improvement District Fund Balance.
